SUMMARY TERM SHEET

The following are answers to some of the questions that you may have about the Put Right. To understand the Put Right fully and for a more complete description of the terms of the Put Right, we urge you to carefully read the remainder of this Put Right Notice because the information in this summary is not complete. We have included page references to direct you to a more complete description of the topics in this summary.

Who is offering to purchase my Notes?

Pinduoduo Inc., a Cayman Islands company (the “Company” or “we”), is obligated to purchase those 0% Convertible Senior Notes due 2024 with respect to which you validly exercise your Put Right. (Page 5)

Why is the Company offering to purchase my Notes?

The right of each Holder of the Notes to sell and the obligation of the Company to purchase such Holder’s Notes pursuant to the Put Right at the time described in this Put Right Notice is a term of the Notes and has been a right of the Holders from the time the Notes were issued on September 27, 2019. We are required to repurchase the Notes of any Holder that exercises its Put Right pursuant to the terms of the Notes and the Indenture. (Page 5)

Which of the Notes is the Company obligated to purchase?

We are obligated to purchase all of the Notes surrendered (and not withdrawn) by any Holder through the facilities of, and in accordance with the procedures of, the Depository Trust Company (“DTC”) prior to 5:00 p.m., New York City time, on Thursday, September 29, 2022. As of September 1, 2022, US\$226,253,000.00 in aggregate principal amount of the Notes was outstanding. The Notes were issued under the Indenture, dated as of September 27, 2019 (the “Indenture”), by and between the Company and Deutsche Bank Trust Company Americas, as trustee and paying agent (the “Trustee” and the “Paying Agent”). The surrender by a Holder of any Notes to DTC via the transmittal procedures of DTC’s Automated Tender Offer Program will constitute delivery of a Repurchase Notice that satisfies such Holder’s notice requirements for its exercise of its Put Right. (Page 5).

How much will the Company pay and what is the form of payment?

Pursuant to the terms of the Indenture and the Notes, we will pay, in cash, a repurchase price equal to 100% of the principal amount of the Notes, *plus* accrued and unpaid Special Interest, if any, to, but not including, October 1, 2022 (the “Repurchase Price”), with respect to any and all Notes validly surrendered for repurchase and not withdrawn; *provided* that such accrued and unpaid Special Interest (if any) payable on October 3, 2022 (being the next succeeding Business Day following Saturday, October 1, 2022) will not be paid to the Holder submitting the Notes for repurchase on October 3, 2022 but will be paid to the Holder of record as of 5:00 p.m., New York City time, on Thursday, September 15, 2022. (Pages 5-6)

How much accrued and unpaid interest will the Company pay as part of the Repurchase Price?

None. The Notes does not bear regular interest. Pursuant to the terms of the Indenture and the Notes, the Company will pay Special Interest, if any, at its sole election as the sole remedy relating to certain failure by the Company to comply with its reporting obligations. Such failures have not occurred to date. (Page 5).

Can the Company redeem the Notes?

Subject to the provisions of the Indenture, the Company may, at its option, on not less than 43 Scheduled Trading Days’ but no more than 60 Scheduled Trading Days’ prior notice, redeem all but not part of the Notes (except in respect of certain Holders that elect otherwise as described in the Indenture):

- (i) in connection with a change in tax law, or
- (ii) on or after October 1, 2022, if the last reported sale price of the Company’s American Depositary Shares (the “ADSs”) has been at least 130% of the conversion price then in effect on (a) each of at least 20 trading days (whether or not consecutive) during any 30 consecutive trading day period ending on, and including, the trading day immediately prior to the date the Company provides notice

of redemption and (b) the trading day immediately preceding the date the Company sends such notice,

at a redemption price equal to 100% of the principal amount *plus* accrued and unpaid Special Interest, if any, to, but not including, the redemption date as described in the Indenture. Upon receiving such notice of redemption, each Holder will have the right to elect to not have its Notes redeemed, subject to the provisions of the Indenture. (Page 6)

What are my rights to convert my Notes?

Subject to and upon compliance with the provisions of the Indenture, a Holder will have the right, at such Holder's option, to convert all or any portion (if the portion to be converted is US\$1,000 principal amount or an integral multiple thereof) of such Note at any time prior to 5:00 p.m., New York City time, on Friday, September 27, 2024 at an initial conversion rate of 23.4680 ADSs (subject to certain adjustments, the "Conversion Rate") per US\$1,000 principal amount of Notes (the "Conversion Right"). If a Holder has already delivered a Fundamental Change Repurchase Notice or a Repurchase Notice with respect to a Note, such Holder may not surrender that Note for conversion until the Holder has withdrawn the applicable repurchase notice in accordance with the Indenture. The conversion of your Notes is subject to the provisions regarding conversion contained in the Indenture and the Notes.

Generally, if you exercise the Conversion Right and the price per ADS is less than the Conversion Price during the relevant observation period, the value of the consideration that you receive in exchange for your Notes will be less than the aggregate principal amount of the Notes. The Conversion Price at any given time is computed by dividing US\$1,000 by the applicable Conversion Rate at such time. (Page 6)

How will the Company fund the purchase of the Notes?

The Company plans to use its cash balance as of the Repurchase Date to fund the purchase of the Notes. (Page 6)

How can I determine the market value of the Notes?

There is no established reporting system or market for trading in the Notes. To the extent that the Notes are traded, prices of the Notes may fluctuate widely depending on trading volume, the balance between buy and sell orders, prevailing interest rates, the Company's operating results, the market price and implied volatility of the Company's ADSs and the market for similar securities. To the extent available, Holders are urged to obtain current market quotations for the Notes prior to making any decision with respect to the Put Right. The value of the Notes upon exercise of the Conversion Right will be based on the applicable conversion rate for the Notes, as summarized above, under the caption "What are my rights to convert my Notes?" (Page 6)

What does the board of directors of the Company think of the Put Right?

The board of directors of the Company has not made any recommendation as to whether you should exercise the Put Right. You must make your own decision whether to exercise the Put Right and, if so, the principal amount of Notes for which the Put Right should be exercised. (Page 6)

When does the Put Right expire?

Your right to exercise the Put Right expires at 5:00 p.m., New York City time, on Thursday, September 29, 2022 (the "Expiration Date"), which is the second Business Day immediately preceding the Repurchase Date. We will not extend the period Holders have to exercise the Put Right unless required to do so by U.S. federal securities law. (Page 5)

What are the conditions to the purchase by the Company of the Notes?

Our purchase of Notes for which the Put Right is validly exercised is not subject to any condition other than such purchase being lawful, the relevant Notes being surrendered and the procedural requirements described in this Put Right Notice being satisfied. (Page 5)

How do I exercise the Put Right?

The Trustee has informed the Company that, as of the date of this Put Right Notice, all custodians and beneficial holders of the Notes hold the Notes through DTC accounts and that there are no certificated Notes in non-global form. Accordingly, you may exercise the Put Right with respect to your Notes held through DTC, prior to 5:00 p.m., New York City time, on the Expiration Date, in the following manner:

- If your Notes are held through a broker, dealer, commercial bank, trust company or other nominee, you must contact such nominee if you desire to exercise the Put Right and instruct such nominee to exercise the Put Right by surrendering the Notes on your behalf through the transmittal procedures of DTC's Automated Tender Offer Program ("ATOP") before 5:00 p.m., New York City time, on the Expiration Date; or
- If you are a DTC participant and hold your Notes through DTC directly, you must surrender your Notes electronically through ATOP before 5:00 p.m., New York City time, on the Expiration Date, subject to the terms and procedures of ATOP, if you desire to exercise the Put Right.

While we do not expect any Notes to be issued to a Holder other than DTC or its nominee in physical certificates after the date hereof, in the event that physical certificates evidencing the Notes are issued to such a Holder, any such Holder who desires to tender Notes pursuant to the Put Right and holds physical certificates evidencing such Notes must complete and sign a Repurchase Notice in the form attached hereto as Annex A (a "Repurchase Notice") in accordance with the instructions set forth therein, have the signature thereon guaranteed and timely deliver such manually signed Repurchase Notice, together with the certificates evidencing the Notes being tendered and all necessary endorsements, to the Paying Agent.

By surrendering your Notes through the transmittal procedures of DTC or to the Paying Agent, as applicable, you agree to be bound by the terms of the Put Right set forth in this Put Right Notice. (Pages 8-9)

HOLDERS THAT HOLD NOTES THROUGH DTC ACCOUNTS MAY ONLY EXERCISE THE PUT RIGHT BY COMPLYING WITH THE TRANSMITTAL PROCEDURES OF DTC AND SHOULD NOT SUBMIT A PHYSICAL REPURCHASE NOTICE.

If I exercise the Put Right, when will I receive payment for my Notes?

We will forward the appropriate amount of cash required to pay the Repurchase Price for your Notes to the Paying Agent prior to 10:00 a.m., New York City time, on the Repurchase Date, and the Paying Agent will promptly distribute the consideration to DTC, the sole Holder of record of the Notes. DTC will thereafter distribute the cash to its participants in accordance with its procedures. To the extent that you are not a DTC participant, your broker, dealer, commercial bank, trust company or other nominee, as the case may be, will distribute the cash to you. (Pages 9-10)

Until what time may I withdraw my previous exercise of the Put Right?

You may withdraw your exercise of the Put Right with respect to any Notes at any time until 5:00 p.m., New York City time, on Thursday, September 29, 2022, which is the second Business Day immediately prior to the Repurchase Date. (Page 9)

How do I withdraw my previous exercise of the Put Right?

To withdraw your previous exercise of the Put Right with respect to any Notes, you must comply with the withdrawal procedures of DTC prior to 5:00 p.m., New York City time, on Thursday, September 29, 2022, which is the second Business Day immediately prior to the Repurchase Date. While the Trustee has informed us that there are currently no certificated Notes in non-global form, in the event that after the date hereof physical certificates evidencing the Notes are issued to a Holder other than DTC or its nominee, any such Holder who desires to withdraw any Notes evidenced by physical certificates with respect to which a Repurchase Notice was previously delivered must, instead of complying with DTC withdrawal procedures, complete and sign a notice of withdrawal specifying (1) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, (2) the certificate numbers of the Notes in respect of which such notice of withdrawal is being submitted, and (3) the principal amount, if any, of such Note

which remains subject to the Repurchase Notice, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, and deliver such manually signed notice of withdrawal to the Paying Agent prior to 5:00 p.m., New York City time, on Thursday, September 29, 2022. (Pages 9-10)

HOLDERS THAT HOLD NOTES THROUGH DTC ACCOUNTS MAY ONLY WITHDRAW THEIR PREVIOUS EXERCISE OF THE PUT RIGHT WITH RESPECT TO SUCH NOTES BY COMPLYING WITH THE TRANSMITTAL PROCEDURES OF DTC AND SHOULD NOT SUBMIT A PHYSICAL NOTICE OF WITHDRAWAL.

Do I need to do anything if I do not wish to exercise the Put Right?

No. If you do not exercise the Put Right before the expiration of the Put Right, we will not purchase your Notes on the Repurchase Date and such Notes will remain outstanding subject to their existing terms. (Page 5)

If I choose to exercise the Put Right, do I have to exercise the Put Right with respect to all of my Notes?

No. You may exercise the Put Right with respect to all of your Notes or any portion of your Notes. If you wish to exercise the Put Right with respect to a portion of your Notes, you must exercise the Put Right with respect to Notes for a principal amount of US\$1,000 or an integral multiple thereof. (Page 5)

If I do not exercise the Put Right, will I continue to be able to exercise my conversion rights?

Yes. If you do not exercise the Put Right, your conversion rights will not be affected. You will continue to have the conversion rights subject to the terms, conditions and adjustments specified in the Indenture and the Notes, as summarized above, under the caption “What are my rights to convert my Notes?” (Page 6)

If I exercise the Put Right, will my receipt of cash for Notes with respect to which I exercised the Put Right be a taxable transaction for U.S. federal income tax purposes?

Yes. The receipt of cash for Notes pursuant to the Put Right will be a taxable transaction for U.S. federal income tax purposes. You should consult with your tax advisor regarding the actual tax consequences to you. (Pages 11-12)

Deutsche Bank Trust Company Americas, the Trustee under the Indenture, is serving as Paying Agent in connection with the Put Right. Its address and telephone number are set forth on the front cover page of this Put Right Notice.

Whom can I talk to if I have questions about the Put Right?

Questions and requests for assistance in connection with the exercise of the Put Right may be directed to the Paying Agent at the address and telephone and facsimile numbers set forth on the cover page of this Put Right Notice.

IMPORTANT INFORMATION CONCERNING THE PUT RIGHT

The Company aims to leverage technology to bring more businesses and people into the digital economy so that local communities can benefit from the increased productivity and create value through new market opportunities.

The Company was incorporated in the Cayman Islands. The Company commenced operations in 2015 and its ADSs began trading on the Nasdaq Global Select Market in July 2018 under the ticker symbol “PDD.” The Company’s principal executive offices are located at 28/F, No. 533 Loushanguan Road, Changning District, Shanghai, People’s Republic of China and its telephone number is +86 21-5266 1300. The Company’s registered office in the Cayman Islands is located at the office of Vistra (Cayman) Limited, P.O. Box 31119 Grand Pavilion, Hibiscus Way, 802 West Bay Road, Grand Cayman, KY1-1205, Cayman Islands.

2. Information Concerning the Notes. The Notes were issued under the Indenture. The Notes mature on October 1, 2024.

2.1 Interest. The Notes does not bear regular interest. Subject to the provisions of the Indenture, the Company will pay Special Interest, if any, at its sole election as the sole remedy relating to certain failure by the Company to comply with its reporting obligations. Such failures have not occurred to date. Unless the Company fails to make the payment of the Repurchase Price for Notes for which a Repurchase Notice has been submitted and not properly withdrawn, such Notes will no longer be outstanding and Special Interest, if any, on the Notes will cease to accrue on and after the Repurchase Date.

2.2 The Company’s Obligation to Purchase the Notes. Pursuant to the terms of the Indenture and the Notes, on October 1, 2022, the Company is obligated to purchase all Notes for which the Put Right has been timely exercised and not withdrawn by the Holders. The “Repurchase Date” is October 1, 2022, payable on October 3, 2022, which is the first Business Day following the Repurchase Date. This Put Right will expire at 5:00 p.m., New York City time, on Thursday, September 29, 2022, the Expiration Date, which is the second Business Day immediately preceding the Repurchase Date. The terms and conditions of the Indenture and Notes require Holders that choose to exercise the Put Right to do so by 5:00 p.m., New York City time, on the Expiration Date, and we do not expect to extend the period that Holders have to exercise the Put Right unless required to do so by U.S. federal securities law. Regardless of whether we extend this period, the Indenture does not provide us with the right to delay the Repurchase Date. The purchase by the Company of Notes for which the Put Right is validly exercised is not subject to any condition other than such purchase being lawful, the relevant Notes being surrendered and the procedural requirements described in this Put Right Notice being satisfied. You may only exercise the Put Right with respect to Notes in principal amounts equal to US\$1,000 or integral multiples thereof.

2.3 Repurchase Price. The Repurchase Price to be paid by the Company with respect to any and all Notes validly surrendered for repurchase and not withdrawn on the Repurchase Date is equal to 100% of the principal amount of the Notes, *plus* accrued and unpaid Special Interest, if any, to, but not including, October 1, 2022; *provided* that such accrued and unpaid Special Interest (if any) payable on October 3, 2022, being the next succeeding Business Day following Saturday, October 1, 2022, will not be paid to the Holder submitting the Notes for repurchase on October 3, 2022 but will be paid to the Holder of record as of 5:00 p.m., New York City time, on Thursday, September 15, 2022. Pursuant to the terms of the Indenture and the Notes, the Company will pay Special Interest, if any, at its sole election as the sole remedy relating to certain failure by the Company to comply with its reporting obligations. Such failures have not occurred to date. The Repurchase Price will be paid in cash with respect to any and all Notes validly surrendered for repurchase and not withdrawn prior to 5:00 p.m., New York City time, on the Expiration Date.

The Repurchase Price, which will be paid in cash, is based solely on the requirements of the Indenture and the Notes and bears no relationship to the market price of the Notes or the ADSs. Thus, the Repurchase Price may be significantly greater or less than the market price of the Notes on the Repurchase Date. Holders are urged to obtain the best available information as to potential current market prices of the Notes, to the extent available, and the ADSs before making a decision whether to exercise the Put Right.

None of the Company, its board of directors or its executive management is making any recommendation to Holders as to whether to exercise the Put Right or refrain from exercising the Put Right. Each Holder must make such Holder's own decision whether to exercise the Put Right with respect to such Holder's Notes and, if so, the principal amount of Notes for which the Put Right should be exercised.

2.4 Source of Funds. If the Put Right is exercised for any Notes, the Company plans to use its cash balance as of the Repurchase Date to pay the Repurchase Price for the Notes.

2.5 Conversion Rights of the Notes. Subject to and upon compliance with the provisions of the Indenture, a Holder will have the right, at such Holder's option, to convert all or any portion (if the portion to be converted is US\$1,000 principal amount or an integral multiple thereof) of such Note at any time prior to 5:00 p.m., New York City time, on Friday, September 27, 2024 at an initial conversion rate of 23.4680 ADSs (subject to certain adjustments) per US\$1,000 principal amount of Notes. If a Holder has already delivered a Fundamental Change Repurchase Notice or a Repurchase Notice with respect to a Note, such Holder may not surrender that Note for conversion until the Holder has withdrawn the applicable repurchase notice in accordance with the Indenture. The conversion of your Notes is subject to the provisions regarding conversion contained in the Indenture and the Notes.

Generally, if you exercise the conversion right and the price per ADS is less than the Conversion Price during the relevant observation period, the value of the consideration that you receive in exchange for your Notes will be less than the aggregate principal amount of the Notes. The Conversion Price at any given time is computed by dividing US\$1,000 by the applicable Conversion Rate at such time.

2.6 Market for the Notes and the Company's ADSs. There is no established reporting system or market for trading in the Notes. To the extent that the Notes are traded, prices of the Notes may fluctuate widely depending on trading volume, the balance between buy and sell orders, prevailing interest rates, the Company's operating results, the market price and implied volatility of the Company's ADSs and the market for similar securities. As of September 1, 2022, US\$226,253,000.00 in aggregate principal amount of the Notes was outstanding.

The Company's ADSs into which the Notes are convertible are listed on the Nasdaq Global Select Market under the ticker symbol "PDD." The following table sets forth, for the fiscal quarters indicated, the high and low sales prices of the ADSs as reported on the NASDAQ.

Quarter Ended	High	Low
	(US\$)	
Third Quarter 2022 (through September 1, 2022)	72.19	44.82
Second Quarter 2022	68.71	31.01
First Quarter 2022	71.27	23.21
Fourth Quarter 2021	104.30	51.91
Third Quarter 2021	128.60	74.12
Second Quarter 2021	152.06	112.33
First Quarter 2021	212.60	121.22
Fourth Quarter 2020	182.68	69.89
Third Quarter 2020	98.96	72.15

On September 1, 2022, the closing price of the ADSs on the Nasdaq Global Select Market was US\$71.42 per ADS. As of September 1, 2022, there were approximately 503,551,169 ADSs outstanding. We urge you to obtain current market information for the Notes, to the extent available, and the ADSs before making any decision to exercise the Put Right.

2.7 Redemption. Subject to the provisions of the Indenture, the Company may, at its option, on not less than 43 Scheduled Trading Days' but not more than 60 Scheduled Trading Days' prior notice, redeem all but not part of the Notes (except in respect of certain Holders that elect otherwise as described in the Indenture):

- (i) in connection with a change in tax law, or
- (ii) on or after October 1, 2022, if the last reported sale price of the Company's ADSs has been at least 130% of the conversion price then in effect on (a) each of at least 20 trading days (whether or not consecutive) during any 30 consecutive trading day period ending on, and including, the trading day immediately prior to the date the Company provides notice of redemption and (b) the trading day immediately preceding the date the Company sends such notice,

at a redemption price equal to 100% of the principal amount *plus* accrued and unpaid Special Interest, if any, to, but not including, the redemption date as described in the Indenture. Upon receiving such notice of redemption, each Holder will have the right to elect to not have its Notes redeemed, subject to the provisions of the Indenture.

2.8 Ranking. The Notes are senior unsecured obligations of the Company, ranking equally in right of payment with all of the Company's senior unsecured indebtedness, and senior in right of payment to any of the Company's indebtedness that is expressly subordinated to the Notes. The Notes are effectively subordinated to all of the Company's secured indebtedness to the extent of the value of the collateral securing those obligations and structurally subordinated to the existing and future indebtedness and other liabilities (including trade payables) of the Company's subsidiaries and consolidated affiliated entities.

3. Procedures to Be Followed by Holders Electing to Exercise the Put Right. Holders will not be entitled to receive the Repurchase Price for their Notes unless they elect to exercise the Put Right by delivering their Repurchase Notice on or before 5:00 p.m., New York City time, on Thursday, September 29, 2022 and have not withdrawn the Repurchase Notice prior to 5:00 p.m., New York City time, on Thursday, September 29, 2022. Holders may exercise the Put Right with respect to some or all of their Notes. Any Repurchase Notice must specify a principal amount of Notes to be purchased by the Company of US\$1,000 or an integral multiple thereof. If Holders do not elect to exercise the Put Right, their Notes will remain outstanding subject to the existing terms of the Indenture and the Notes.

3.1 Method of Delivery. The Trustee has informed the Company that, as of the date of this Put Right Notice, all custodians and beneficial holders of the Notes hold the Notes through DTC accounts and that there are no certificated Notes in non-global form. Accordingly, unless physical certificates are issued following the date hereof, all Notes surrendered for repurchase hereunder must be delivered through DTC's ATOP system. Valid delivery of Notes via ATOP will constitute delivery of a Repurchase Notice that satisfies such Holder's notice requirements for its exercise of its Put Right. Delivery of Notes and all other required documents, including delivery and acceptance through ATOP, is at the election and risk of the person surrendering such Notes.

HOLDERS THAT HOLD NOTES THROUGH DTC ACCOUNTS MAY ONLY EXERCISE THE PUT RIGHT BY COMPLYING WITH THE TRANSMITTAL PROCEDURES OF DTC AND SHOULD NOT SUBMIT A PHYSICAL REPURCHASE NOTICE.

3.2 Agreement to Be Bound by the Terms of the Put Right. By exercising the Put Right with respect to any portion of your Notes, you acknowledge and agree as follows:

- such Notes shall be purchased as of the Repurchase Date pursuant to the terms and conditions set forth in this Put Right Notice;
- you agree to all of the terms of this Put Right Notice;
- you have received this Put Right Notice and acknowledge that this Put Right Notice provides the notice required pursuant to the Indenture;

3.3 Exercise of Put Right; Delivery of Notes.

Notes Held Through a Custodian. If you wish to exercise the Put Right with respect to any of your Notes and your Notes are held by a broker, dealer, commercial bank, trust company or other nominee, you must contact such nominee and instruct such nominee to surrender the Notes for purchase on your behalf through the transmittal procedures of DTC as set forth below in “Notes Held by a DTC Participant” on or prior to the deadline set by such nominee to permit such nominee to surrender the Notes by 5:00 p.m., New York City time, on the Expiration Date.

Notes Held by a DTC Participant. If you are a DTC participant who wishes to exercise the Put Right with respect to any of your Notes, you must electronically transmit your acceptance through DTC’s ATOP system, subject to the terms and procedures of that system, on or prior to 5:00 p.m., New York City time, on the Expiration Date.

In exercising the Put Right through ATOP, the electronic instructions sent to DTC by you or by a broker, dealer, commercial bank, trust company or other nominee on your behalf, and transmitted by DTC to the Paying Agent, will acknowledge, on behalf of you and DTC, your receipt of and agreement to be bound by the terms of the Put Right, including those set forth above under 3.2 — “Agreement to Be Bound by the Terms of the Put Right.”

Notes Held in Certificated Non-Global Form. While we do not expect any Notes to be issued to a Holder other than DTC or its nominee in physical certificates after the date hereof, in the event that physical certificates evidencing the Notes are issued to such a Holder, then, in order to exercise the Put Right with respect to such Notes, any such Holder of the Notes must complete and sign a Repurchase Notice in the form attached hereto as Annex A in accordance with

the instructions set forth therein, have the signature thereon guaranteed and deliver such manually signed Repurchase Notice to the Paying Agent prior to 5:00 p.m., New York City time, on the Expiration Date. For such a Holder to receive payment of the Repurchase Price for such Notes with respect to the Put Right was exercised, the Holder must deliver such Notes to the Paying Agent prior to, on or after the Repurchase Date together with all necessary endorsements.

All signatures on a Repurchase Notice and endorsing the Notes must be guaranteed by a recognized participant in the Securities Transfer Agents Medallion Program, the NYSE Medallion Signature Program or the Stock Exchange Medallion Program (each, an “Eligible Institution”); *provided, however*, that signatures need not be guaranteed if such Notes are tendered for the account of an Eligible Institution. If a Repurchase Notice or any Note is signed by a trustee, executor, administrator, guardian, attorney-in-fact, agent, officer of a corporation or other person acting in a fiduciary or representative capacity, such person must so indicate when signing, and proper evidence satisfactory to the Company of the authority of such person so to act must be submitted.

You bear the risk of untimely surrender of your Notes. You must allow sufficient time for completion of the necessary DTC or Paying Agent procedures, as applicable, before 5:00 p.m., New York City time, on the Expiration Date.

4. Right of Withdrawal. You may withdraw, in whole or in part, your previous exercise of the Put Right with respect to any Notes at any time prior to 5:00 p.m., New York City time, on Thursday, September 29, 2022, which is the second Business Day immediately prior to the Repurchase Date.

Except as described below with respect to Notes, if any, for which physical certificates are issued to a Holder other than DTC or its nominee, in order to withdraw your previous exercise of the Put Right, you must comply with the withdrawal procedures of DTC prior to 5:00 p.m., New York City time, on Thursday, September 29, 2022. This means you must deliver, or cause to be delivered, a valid withdrawal request through the ATOP system before 5:00 p.m., New York City time, on Thursday, September 29, 2022.

If after the date hereof physical certificates evidencing the Notes are issued to a Holder other than DTC or its nominee, any such Holder who desires to withdraw any previously surrendered Notes evidenced by physical certificates must, instead of complying with the DTC withdrawal procedures, complete and sign a notice of withdrawal specifying (1) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, (2) the certificate numbers of the Notes in respect of which such notice of withdrawal is being submitted, and (3) the principal amount, if any, of such Note which remains subject to the Repurchase Notice, which portion must be US\$1,000 aggregate principal amount or an integral multiple thereof, and deliver such manually signed notice of withdrawal to the Paying Agent prior to 5:00 p.m., New York City time, on Thursday, September 29, 2022.

In addition, pursuant to Rule 13e-4(f)(2)(ii) promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), Holders are advised that if they timely surrender Notes for purchase under the Put Right, they are also permitted to withdraw such Notes on Wednesday, November 2, 2022 (New York City time) in the event that we have not yet accepted the Notes for payment as of that time. Pursuant to the Indenture, we are required to forward the appropriate amount of cash required to pay the Repurchase Price for your Notes to the Paying Agent prior to 10:00 a.m., New York City time, on the Repurchase Date.

You may exercise the Put Right with respect to Notes for which your election to exercise your Put Right had been previously withdrawn, by following the procedures described in Section 3 above. We will determine all questions as to the validity, form and eligibility, including time of receipt, of notices of withdrawal.

You bear the risk of untimely withdrawal of your Notes. You must allow sufficient time for completion of the necessary DTC or Paying Agent procedures by withdrawing before 5:00 p.m., New York City time, on Thursday, September 29, 2022.

5. Payment for Surrendered Notes. We will forward to the Paying Agent, prior to 10:00 a.m., New York City time, on the Repurchase Date, the appropriate amount of cash required to pay the Repurchase Price for your Notes, and the Paying Agent will promptly distribute the consideration to DTC, the sole Holder of record of the Notes. DTC will thereafter distribute the cash to its participants in accordance with its procedures. To the extent that you

are not a DTC participant, your broker, dealer, commercial bank, trust company or other nominee, as the case may be, will distribute the cash to you.

The total amount of consideration required by us to repurchase all of the Notes is US\$226,253,000.00 (assuming all of the Notes are validly surrendered for repurchase and accepted for payment).

6. Notes Acquired. Any Notes repurchased by us pursuant to the Put Right will be cancelled by the Trustee, pursuant to the terms of the Indenture.

7. Plans or Proposals of the Company. Except as publicly disclosed on or prior to the date of this Put Right Notice, neither the Company nor its directors and executive officers currently has any plans, proposals or negotiations that would be material to a Holder's decision to exercise the Put Right, which relate to or which would result in:

- any extraordinary transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries;
- any purchase, sale or transfer of a material amount of assets of the Company or any of its subsidiaries;
- any material change in the present dividend rate or policy or in the indebtedness or capitalization of the Company or any of its subsidiaries;
- any change in the present board of directors or management of the Company or any of its subsidiaries, including, but not limited to, any plans or proposals to change the number or the term of directors or to fill any existing vacancies on the board or to change any material term of the employment contract of any executive officer;
- any other material change in the corporate structure or business of the Company or any of its subsidiaries;
- any class of equity securities of the Company or any of its subsidiaries being delisted from a national securities exchange or ceasing to be authorized to be quoted in an automated quotation system operated by a national securities association;
- any class of equity securities of the Company or any of its subsidiaries becoming eligible for termination of registration under Section 12(g)(4) of the Exchange Act;
- the suspension of the obligation of the Company to file reports under Section 15(d) of the Exchange Act;
- the acquisition by any person of additional securities of the Company or the disposition of securities of the Company; or
- any changes in the charter, bylaws or other governing instruments of the Company or other actions that could impede the acquisition of control of the Company.

8. Interests of Directors, Executive Officers and Affiliates of the Company in the Notes. Based on a reasonable inquiry by the Company:

- none of the executive officers or directors of the Company or any associate of such executive officers or directors owns any Notes; and
- during the 60 days preceding the date of this Put Right Notice, none of the executive officers or directors of the Company has engaged in any transactions in the Notes.

The Company will not purchase any Notes from its affiliates or the executive officers or directors of the Company. Neither the Company nor any of its associates or majority-owned subsidiaries owns any Notes. During the 60 days preceding the date of this Put Right Notice, neither the Company nor any of its subsidiaries has engaged in any transactions in the Notes.

9. Agreements Involving the Company's Securities. The Company has entered into the following agreements relating to the Notes:

- the Indenture.

There are no agreements between the Company and any other person with respect to any other securities issued by the Company that are material to the Put Right or the Notes. The Company is not aware of any agreements between any directors or executive officers of the Company and any other person with respect to any other securities issued by the Company that are material to the Put Right or the Notes.

10. Material U.S. Federal Income Tax Considerations.

The following discussion is a summary of material U.S. federal income tax considerations relating to the exercise of the Put Right by U.S. Holders (defined below) of our Notes. This summary is based upon the Internal Revenue Code of 1986, as amended (the "Code"), the regulations promulgated by the U.S. Treasury Department, current administrative interpretations and practices of the Internal Revenue Service (the "IRS") and judicial decisions, all as currently in effect and all of which are subject to differing interpretations or to change, possibly with retroactive effect. No assurance can be given that the IRS would not assert, or that a court would not sustain a position contrary to any of the tax considerations described below. This summary is for general information only and does not discuss all aspects of U.S. federal income taxation that may be important to particular holders in light of their individual circumstances, including holders subject to special tax rules (for example, financial institutions, insurance companies, broker-dealers in securities or currencies, traders in securities that elect mark-to-market treatment, partnerships and other pass-through entities and holders of interests therein, pension plans, regulated investment companies, real estate investment trusts, cooperatives, foreign entities treated as domestic corporations for U.S. federal income tax purposes, and tax-exempt organizations (including private foundations)), holders that hold their Notes as part of a straddle, hedge, conversion, constructive sale, or other integrated transaction for U.S. federal income tax purposes, U.S. expatriates and certain former citizens or long-term residents of the United States, U.S. Holders whose "functional currency" is not the U.S. dollar, persons liable for alternative minimum tax, all of whom may be subject to tax rules that differ significantly from those summarized below. This summary is limited to U.S. Holders who hold the Notes as "capital assets" within the meaning of Section 1221 of the Code (generally, property held for investment). In addition, this summary of U.S. federal income tax considerations does not discuss any state, local, or non-U.S. tax considerations, any non-income tax (such as gift or estate tax) considerations, or the Medicare net investment income tax. Each U.S. Holder is urged to consult its tax advisor regarding the U.S. federal, state, local, and non-U.S. income and other tax considerations relating to the exercise of the Put Right of our Notes.

For purposes of this discussion, a "U.S. Holder" is a beneficial owner of our Notes that is:

- an individual who is a citizen or resident of the United States;
- a corporation (including an entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source; or
- a trust (i) the administration of which is subject to the primary supervision of a U.S. court and which has one or more U.S. persons who have the authority to control all substantial decisions of the trust or (ii) that has in effect a valid election under applicable Treasury regulations to be treated as a U.S. person.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds our Notes, the U.S. federal income tax treatment of a partner in such partnership will generally depend upon the status of the partner and the activities of the partnership. If you are a partner of a partnership holding our Notes, you are urged to consult your tax advisor regarding the tax consequences of the exercise of the Put Right.

Sale of Notes Pursuant to the Put Right

Upon exercise of the Put Right, subject to the discussion of market discount below, a U.S. Holder generally will recognize gain or loss equal to the difference between (i) the amount of cash proceeds received on the exercise (other than any amount attributable to accrued but unpaid interest, which will be taxable as ordinary interest income, to the extent not previously included in income), and (ii) such U.S. Holder's adjusted tax basis in the Note. A U.S. Holder's adjusted tax basis in a Note generally will equal its cost, increased by any accrued market discount if the U.S. Holder has elected to include such market discount as it accrued (as described below), and reduced (but not to below zero) by amortizable bond premium (generally, the excess, if any, of the tax basis of the Note to a U.S. Holder immediately after its acquisition over the principal amount of the Note payable at maturity) allowed as an offset against interest income with respect to the Note. Except to the extent it is subject to the market discount rules discussed below, any gain or loss recognized will be capital gain or loss and will be long-term capital gain or loss if, on the date of the sale, the Note has been held for more than one year. Non-corporate U.S. Holders will generally be eligible for beneficial rates on long-term capital gains. The deductibility of capital losses is subject to limitations. The gain or loss will generally be treated as U.S. source gain or loss.

Market Discount

The Notes have "market discount" if their stated redemption price at maturity (as defined for purposes of the market discount rules) exceeds their tax basis in the hands of a U.S. Holder immediately after their acquisition, unless a statutorily defined de minimis exception applies. Gain recognized by a U.S. Holder with respect to the Notes acquired with market discount generally will be subject to tax as ordinary income to the extent of the market discount accrued during the period the Notes were held by such U.S. Holder, unless the U.S. Holder previously elected to include market discount in income as it accrued for U.S. federal income tax purposes. Market discount is accrued on a ratable basis, unless the U.S. Holder elected to accrue market discount using a constant-yield method. Gain in excess of accrued market discount will be subject to the capital gains rules described above.

None of the Company, its board of directors or its executive management is making any recommendation to any Holder as to whether to exercise the Put Right or refrain from exercising the Put Right pursuant to this Put Right Notice. Each Holder must make such Holder’s own decision whether to exercise the Put Right and, if so, the principal amount of Notes for which the Put Right should be exercised.
